

ABOVE-INGTON AIMS TO REGENERATE WITHINGTON HIGH STREET BY BRINGING LIFE TO 5 UNDER-USED BUILDINGS. WITHINGTON SITS BETWEEN TWO TOWNS WITH DISTINCT IDENTITIES, DIDSBURY AND FALLOWFIELD. OUR PROPOSAL AIMS TO PROVIDE WITHINGTON A NEW IDENTITY AS A MEETING POINT FOR BOTH COMMUNITIES. THESE 5 PODS ARE CREATED USING PROPORTION AND SECTIONAL FORM OF THE 5 BUILDINGS BELOW AND PROVIDE NEW SPACES FOR STUDY AND RECREATIONAL USE FOR BOTH STUDENTS AND WORKING LOCALS. OUR VISION IS TO ENCOURAGE MORE FOOTFALL FROM THE NEIGHBOURING AREAS AS WELL AS REDUCING THE DAILY MIGRATION OF LOCAL WORKERS WHICH SHOULD IMPROVE SOCIAL AND COMMERCIAL PERFORMANCE OF THE HIGH STREET
